BRAEMOR STARRY ARCHER 63d - one of the top bulls to sell in the Omaha Sale, the last son of Millhills Starry Archer, imported, that Carl Retzlaff raised. He is out of the same dam that produced the top bull in Carl's last sale that sold for \$1,750.00. This bull is made right and breeds right. If you want thick, heavy-boned, soggy calves with depth of body, then buy this bull. He is just in his prime, a sure breeder, and has an excellent disposition. My cows are all bred to him and we recorded all his heifers, otherwise he wouldn't be for sale.

His dam, Divide Fancy 16th, also produced Divide Waverly the bull that did such a great job in the Ralph Bivin herd in Illinois. Another half-brother sold in our 1954 sale to H. M. McCook of Shelby, Iowa, and he too was an outstanding bull. Braemor President 50th is definitely a herd bull prospect for someone. Is very burley headed, tremendously short-legged, deep and thick with wonderful balance and a wealth of natural fleshing.

We believe he is just as good a bull and is possible deeper bodied. His grandsire, Cruggleton Purvis sold in the 1953 Marellbar sale for \$22,500. Twelve sons averaged \$2,800 in the Marellbar sale. Two calf crops by Uppermill Comrade averaged over \$3,000 in the Scofield Ranch sales in Texas.

**Omaha Sales Always
Have Top Quality at
Reasonable Prices . . .**

HOW MUCH FOR A BULL?

Owners of cow herds face a common problem -- the matter of bull cost and worth. It might also be termed universal, for while a different set of considerations applies for a purebred and commercial herd, the basic rules apply to both.

The best bull is none too good to use in a registered herd, the best doesn't always mean the highest priced. You pay once for what you judge his calves will be, based on his physical qualifications and on his ancestry; you pay twice for the reputation of the herd and the line of breeding from which he comes, a value that comes under the head of advertising.

The purchase of a bull for a commercial herd requires that the buyer consider three things, type, conformation and physical conditions or the ability to make rapid gains. In feeder calf sales, the country over, the better bulls have shown their worth. Figured on a per calf basis, a great many of them make a splendid return on an investment that commonly might be rated too high.

GOLD PRINCE by Divide Chieftain. Reserve champion bull of the 1954 Omaha Shorthorn show and sale, purchased for \$640. Certainly not a high price, and a price at which any purebred or commercial operator could afford to own him.

The payoff is this, at the 1956 Chicago International Livestock Show, held the first week in December, and truly rated as the greatest Shorthorn show in North America, in the class of summer yearling heifers that was won by the reserve grand champion female of the entire show, the fifth prize winner was ISF Duchess of Gloster sired by **GOLD PRINCE** and shown by Prescott Down & Sons of Wyoming, Illinois.

Once again the good ones are where you find them, and you can find them at OMAHA -- AT CONSERVATIVE PRICES.

D M AUGUSTA PATTERN -- a good-headed, stylish heifer officially vaccinated.
BRED SEPTEMBER 15 TO FEMCO BETTER NEWS 3rd. There are very few
good Tolquhon President heifers for sale anywhere.

THERE WILL BE SOME GOOD BUYS IN THIS SALE

As usual, Omaha is the one spot in America where you can always find outstanding values at conservative prices. This is one of the smallest offerings we have ever had at Omaha, and the reason is simple -- strong aged bulls are scarce. We have some top prospects listed, and if you are one of those crafty buyers who likes to make his buying dollar go as far as possible, this is the one spot for you to be on February 13.

If there is any other information you would like, feel free to write or call us ahead of the sale and we'll honestly give you all the information we can.

Also on sale day if there is any information you would like, regarding any of these cattle, feel free to ask any of the owners about them.

Also, on the matter of shipping and delivery, we will work closely with you and see that they are properly loaded out and handled according to your instructions.

DON'T FORGET, also, the BIG POLLED SHORTHORN SALE at this same location on the following day, February 14.

UEHLAMAR SOUVENIR -- has bred 15 cows and heifers for us and we think he is a great bull. He would not be sold if it were not for the fact that we have a large portion of our cow herd closely related to him. Anyway you look at him, he measures up to what one would expect from the great breeding. His sire, Priam Souvenir has left many good cattle and his dam is one of our best cows. This Orange Blossom family are really great cattle. Our herd is certified Bruc. free.
